

Year 11 Revision lessons – from Thursday 24th May

It is our experience that students prepare better for their examinations by combining home study with a structured school-based revision programme. All Year 11 students will therefore continue to attend school as normal each day until the end of school on Wednesday, 23rd May 2018.

From Thursday 24th May, students will only need to attend school if they have an exam or if they have a scheduled revision lesson. The timetable of revision lessons is shown below:
