

**GCSE REVIEW OF MARKING & ACCESS TO SCRIPTS  
Candidate Consent Form**

The following information explains what may happen following an enquiry about a result. The deadline for review of marking is Monday 17 September & Access to scripts 24 September

If your examination centre makes an enquiry about the result of one of your examinations, after your subject grade has been issued, there are three possible outcomes:

- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.
- Your original mark is lowered, so your final grade may be lower than the original you received.

In order to proceed with the enquiry please sign the form below. This tells the Head of Centre that you have understood what the outcome might be, and that you give consent for the enquiry to be made.
