

Proposed Change to the Designated Area of Gillotts School from 1 September 2020

1. The western boundary of the designated area of Gillotts School is currently at the western edge of the town of Henley-on-Thames very close to the school site. It was proposed that the school needs for children living in the new development being built at Highlands Farm in the Civil Parish of Harpsden would be met by schools in the town of Henley-on-Thames. Therefore, the designated area of the school needs to be redrawn to ensure that addresses in this development will be in the designated area of the school.
2. Additionally some addresses in the Civil Parish of Rotherfield Greys which are accessible from Greys Road to the west of the town of Henley-on-Thames and slightly to the west of Highlands Farm are geographically closer to Gillotts School than to their designated area secondary school (Chiltern Edge School in Sonning Common) or any other secondary school and there is logic to their inclusion in the new designated area for Gillotts School.
3. Buckinghamshire County Council has approached Gillotts School to request that the catchment area of Frieth Church of England Combined School be added to the designated area of Gillotts School subject to consultation. Historically, this catchment area is part of the catchment area for Great Marlow School and it is not proposed that this will change. However, recently children living in the catchment area of Frieth Church of England Combined School have been unsuccessful when applying for transfer to Great Marlow School (even though they live in the catchment area of this secondary school) because of over-subscription. Buckinghamshire County Council wants to maximise the opportunities for children to be offered a school of parental preference in the future as well as reduce the distance children need to travel to school. Each year a small number of children from Frieth Church of England Combined School have transferred to Gillotts School.
4. In the civil parish of Eye and Dunsden the designated area followed a civil boundary that no longer exists. The designated area line has been redrawn to follow roads which are a more logical boundary. This has not affected any addresses in this civil parish.

PROPOSAL

Change the designated area of Gillotts School as shown on the attached map.

It is not intended that these proposals affect the designated area of Chiltern Edge School or the catchment area of Great Marlow School. Some Oxfordshire addresses will be in the designated area of both Gillotts School and Chiltern Edge School. Some Buckinghamshire addresses will be in the designated area of Gillotts School and the catchment area of Great Marlow School.

Addendum to Proposal

The following addresses in the Civil Parish of Rotherfield Greys will be in the designated areas of both Chiltern Edge School and Gillotts School:
