

17<sup>th</sup> October 2018

Dear Parent / Guardians

**Year 11 Parent Information and Revision Evening  
Monday 12<sup>th</sup> November 2018.**

Year 11 students are fast approaching their final exams, along with mock examinations starting at the beginning of January 2019.

As part of our ongoing support as a school, I would like to invite you to attend a Year 11 information and Revision evening on Monday 12<sup>th</sup> November 2018. The evening will focus on providing you with important information and key dates for the forthcoming year, along with support and advice for your child's next stage in their education. Existing staff and past students will also offer advice on revision tips and strategies and advice on how you can support this process.

This year, we are splitting the evening into two separate presentations with slightly different content to ensure we deliver the most relevant message to each student. We have identified which students and families will attend each presentation. It is therefore important that you attend the session that you have been invited to.

Your session will be:

Session 1      6.00pm – 6.45pm

A separate link to confirm attendance will be sent out via school e-mail.

Yours faithfully

Matthew Druce  
**Assistant Headteacher**
